Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Reason For Abandonment

In a telephone interview with inventor Mark Hardin on 1/12/2007, Applicant indicated that no reply has been sent, and that the prosecution of particular subject matter would resume with an eventual continuation or continuation-in-part being currently prepared for filing by Applicant's attorney. Therefore, in reagrads to the present application, the six month statutory deadline for reply has been exceeded.
